30 ft. Slimfit Style 4-Wire Crush Proof Hose

The 30' x 1-3/8" hose provides excellent airflow. This hose handle permits you to grip at several points on the handle to match where and how you want to clean. A full 360 degree swivel eliminates wrist strain, stops kinking, and increases hose life. Rotate the handle 90 degrees for easy under furniture cleaning. (SFH-630)

14" Premium Electric Brush--QuietDrive®

The Premium powerhead has a 14" cleaning path and chevron brush roll that directs dirt towards the center where it is pulled into the vacuum's airstream for excellent cleanability. The Quietdrive V-belt technology uses a multi-grooved reinforced belt for continuous contact and efficient transfer of power to the brush. It has an easy release on the telescopic wand, height adjustment, a headlight, and a wrap-around bumper to protect furnishings. (EB-280)
